WE EARN COMMISSION ON EACH PURCHASE YOU MAKE!

This 'webshop' is a simple fundraising tool providing a shop interface where each purchase you make, generates commission and this money is then sent on to us. When you are making purchases online, if you access the retail websites through www.buy.at/marchantholiday we earn commission. The commission depends on the amount that the retailer is offering and the amount you spend! There are over 150 retailers offering exclusive web shop only promotions and discounts; Marks and Spencer, play.com, Amazon, Next, HMV, Waterstones to name a few, more details are on the A-Z section of the webshop.

So please, next time you are making a purchase on line, use our webshop to access your preferred retailer and help us raise some funds for the school.

TESCO and SAINSBURYS VOUCHERS

We are collecting Sainsbury and Tesco tokens/vouchers for school equipment, so please save them up and send them into school.
